

WORLINGHAM CEVC PRIMARY SCHOOL

SCIENCE STATEMENT OF INTENT

When children leave Worlingham CEVC Primary School they will:

- Have developed scientific knowledge and conceptual understanding of topics involving biology, chemistry and physics.
- Have a deepened curiosity of the world around them and a sense of inquisitiveness to support them to ask scientific questions.
- Have the ability to select appropriate enquiry types to answer posed and their own questions (observation, fair testing, comparative testing, comparing and grouping, identifying patterns, secondary research)
- Have developed understanding of how to work scientifically through different types of science enquiries.
- Be equipped with the scientific skills required to understand the uses and implications of science, today and for the future.

Belonging, Courage, Curiosity, Kindness, Perseverance, Respect

Growing Minds, Kind Hearts, Rooted in Love

'Rooted and Grounded in Love' (Ephesians 3:16)
